Turn off old Linc PTT on Android

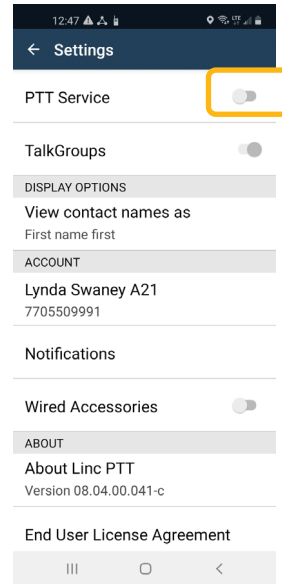

Take these steps on your Android phone to turn off the old Linc PTT app and begin using the new Linc MCPTT app.

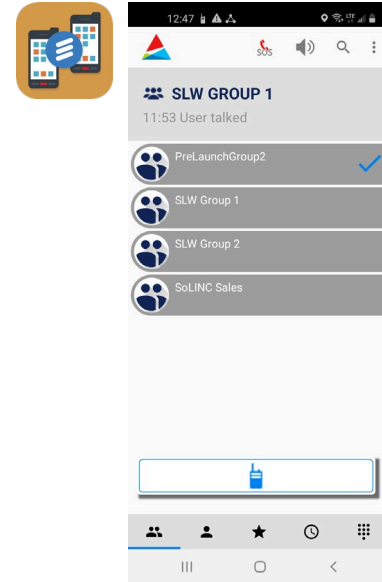

From the old Linc PTT app, touch the **three dots** in the lower right of the screen, then touch **Settings**.

Move the PTT Service **slider to the left** to turn the app off.

Slider turns gray when application is off.

Open Linc MCPTT and begin using it.
